3D POOL

FIREBIRD

3D POOL

SCREEN SHOTS MAY VARY

The first 3-dimensional computer Pool game that lets you view the table from almost *ANY ANGLE YOU CHOOSE!* Rotate and tilt the Pool table to set up your shot, then crack the cue ball into the pack. You've never seen anything like it!

- **Stunningly realistic true to life 3D pool simulation.**
- **Awe-inspiring real-time rotating table.**
- **Super intelligent computer-controlled opponents.**
- **Delicate control of spin, swerve and power.**
- **All the fun of creating your own trick shots.**
- **Pit your wits against Maltese Joe – European Pool Champ!**

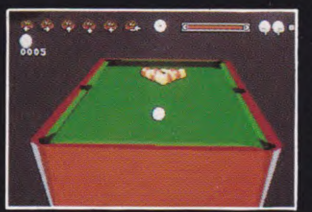

Published by Firebird Software

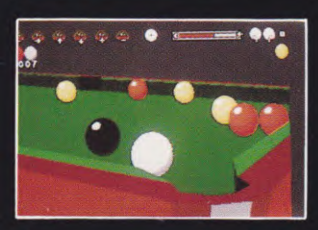

UNIT 1, HAMPTON ROAD INDUSTRIAL ESTATE, TETBURY, GLOS.
